- Round-the-clock support for patients 24/7
- Use of modern global techniques in treatment and diagnostics
- Highly qualified staff (more than 650 doctors in our clinics)
- Modern equipment
- No queues, the ability to undergo all the necessary procedures in one place, saving patient's time
- Comfortable working conditions for both patients and partner companies
- Service quality control
- Confidentiality
- Unique drugs for the treatment
- Own laboratory ON Clinic

Our benefits

ON Clinic and Doctorpro medical centers use minimally invasive treatment methods to get rid of health problems:

- Without pain
- Without surgery
- Without interruption of the usual rhythm of life
- Without a long rehabilitation period
- Without the need for inpatient treatment
- No loss of working capacity

In addition to outpatient treatment, we offer

- Modern operating room (ON Clinic Kharkiv Gagarina)
- Siemens SOMATOM go.Up computed tomography department (ON Clinic Kharkiv Palace of Sports, ON Clinic Kharkiv Pushkinskaya)
- X-ray department (ON Clinic Kharkiv Palace of Sports, ON Clinic Kharkiv Gagarina, ON Clinic Mykolaiv)
